GIN RECOMMENDATIONS

Gins

GWYR GIN £3.2 (25ML)

A delicious Welsh gin from the Gower gin company, made using a combination of eight botanicals – offering up liquorice and earthy fennel flavours, with a good whack of grapefruit and a dusting of cracked black pepper. An excellent balance of savoury and citrus sweetness. Pair with Fevertree Mediterranean tonic for exceptional results!

HERNO OLD TOM £5.2 (25ML)

From the Wedisg Herno distillers comes a sweet, lip smacking Old Tom Gin. They use the same botanicals as their Herno Dry Gin (also available) although they have dialled up the amount of meadowsweet used. After distillation a touch of honey and sugar are added giving it the classic sweetness expected of an Old Tom Gin.

DAFFYS DRY GIN £3.2 (25ML)

Previous winner of the ‘world’s best gin’ this fresh, smooth and truly original gin balances nine carefully chosen botanicals with its show stopping Lebanese mint, front and centre

SIPSMITHS LONDON DRY £3.2 (25ML)

Born out of a desire to see London dry gin production return to the city where its earned its name. Combining traditional copper pot distillation with a traditional recipe, this bold, complex and aromatic gin truly does hit the spot

HENDRICKS £3.5 (25ML)

In addition to the traditional juniper infusion, Hendricks uses Bulgarian rose and cucumber to add flavour

NORDES £4 (25ML)

A rather intriguing Spanish gin from the Galician region is made with an Albarino grape based spirit, rather than the more commonly seen grain based spirit. Along with 14 botanicals including lemon peels, hibiscus, liquorice and eucalyptus. The result is a bold, floral flavour profile. A favourite of ours

GIN RAW £5 (25ML)

Gin Raw comes to us all the way from Barcelona. Created by a pair of entrepreneurs with the help of four masters of their craft: a chef, a sommelier, a mixologist and a perfumer. They use low temperature distillation to preserve the flavours and aromas of their botanicals, which include kaffir lime leaf, lemon, lime, cardamom, coriander and laurel

MONKEY 47 £5 (25ML)

An unusual gin from the Black Forest in Germany. The 47 comes from the number of botanicals that are featured in this unique gin, including a rather unique ingredient, cranberries, and the fact that it is bottled at a health 47%. Winner of the World Spirits Award and Best in Class for Gin Worldwide at the International Wine and Spirits Competition London

ROKU JAPANESE CRAFT GIN £3.5 (25ML)

The first gin from Japan's legendary Suntory. Roku is Japanese for six and this expression is made using six, carefully picked botanicals intended to offer you a tour of the four seasons. A unique drinking experience

NIKKA COFFEY LIMITED EDITION £5 (25ML)

Nikka, one of the biggest names in the world of Japanese whiskey, now produces this cracking gin using the very same Coffey Still. Designed by Aeneas Coffey, imported to Japan by Nikka in the 1960's, the still has distilled some legendary whiskies. Nikka Coffey Gin is a limited production of only 12,000 bottles – so taste it while you can

Flavoured gins

CHASE SLOE AND MULBERRY GIN £3.8 (25ML)

Chase is Britain's first and only farm to bottle sloe gin. Foraged mulberries are gently macerated into chase's GB gin, then aged in Rhone valley red wine casks. Gloriously warming with a beautiful balance between rich berry sweetness and a fresh tartness

CHASE SEVILLE ORANGE £4 (25ML)

Chase Distillery is based just up the road from us in Herefordshire, and this family run operation sure knows how to produce gin. Chase Seville Orange, unsurprising, has a heavy hit of orange, but features a number of other botanicals such as juniper, liquorice, elderflower and bitter almonds, to create a gin bursting with flavour

CHASE PINK GRAPEFRUIT £4 (25ML)

A spectacular pairing of pink grapefruit and Chase's award winning GB Gin from our friends at the Chase distillery in Herefordshire. Floral and zesty throwing out waves of tartness with the juicy kick of grapefruit peel, closing with subtle hints of juniper. Bold and beautiful

CHASE RHUBARB AND BRAMLEY APPLE £4 (25ML)

Carefully crafted through blending Chase GB gin (also available) with freshly pressed rhubarb and Bramley apple juice straight from the Chase family farm just over the Welsh border in Hereford. Tangy and tart, this gin pairs perfectly with Fevertree Mediterranean tonic water Spain

SHERRY, PORT & SWEET WINE

HIDALGO 'LA GITANA' MANZANILLA

The classic Manzanilla and a favourite in Spain. Hidalgo are one of Spain's oldest wine brands and their experience shines through in this masterpiece. Winner of the International Wine Challenge 2005 and 2006, a dry, crisp and delicate sherry hits all the right notes

£3.2 (50ML)

£25 (500ML)

HIDALGO 'OLOROSO'

An off dry sherry with a rich and inviting character. The nose is dark caramel with sticky figs and a nutty undertone. The palate offers raisin and dried dates with wonderful length on the finish

£3.7 (50ML)

£30 (500ML)

HIDALGO 'PEDRO XIMENEZ'

Pedro Ximenez grapes are sun dried on straw matting before being fermented and fortified. They are then aged under the solaría system. The drying of the grapes intensifies the sugars and the resulting sherry is basically the drinkable version of Christmas pudding! This sherry is a bombardment of the senses with raisins, dried figs, caramel and toasted nuts all combining for a deeply opulent experience

£4.2 (50ML)

£35 (500ML)

PORT

GRAHAMS LBV

A beautifully viscous port, rich and jammy with a hint of spice and waft of alcohol and warmth. Not overly complex yet still an exceptional port wine

£3.2 (50ML)

£30 (BTL)

GRAHAMS TAWNY 10 YEAR OLD

A wood matured, younger Tawny Port, mellowed in seasoned oak casks. Aged for 10 years it balances the sweetness of younger wines with the richer flavours that develop with age

£3.7 (50ML)

£35 (BTL)

GRAHAMS 'QUINTA DOS MALVEDOS' VINTAGE PORT 2004

Quinta dos Malvedos, one of the Douro's greatest vineyard properties, has always been the heart of Grahams vintage port. Superb depth of flavour, sweet blackberry and plum fruit combined with glorious floral scents. This show stopper pairs wonderfully with chocolate desserts. Great for sharing – try between four

£30 (375ML)

SWEET WINE

JORGE ORDONEZ NO 2, VICTORIA MOSCATEL

One of the most famous creators of sweet wines in the world, the Austrian Alois Kracher, offers us this selection of the best Moscatel of Alexandria grapes, presented in a fresh wine with a pleasant texture and long-lasting flavour, which evokes the warmth of Malaga's sunny south.

£4.5 (50ML)

CHATEAU DU SEUIL CERONS

Chateau de Seuil was acquired by an entrepreneurial Welsh couple, Bob and Sue Watts in 1988. Today, Chateau de Seuil is owned and managed by Bob and Sue's daughter, Nicola Allison and her husband Sean who continue the traditions established by Nicola's parents. A Semillion based sweet wine that exhibits a nose of ripe apricots and honey with a rich palate and racy, palate cleansing acidity. One of our favourites

£30 (500ML)

FAMILIA CASTANO, 'DULCE' MONASTRELL

This is a unique, sweet red Monastrell. Dulce is made by halting fermentation at 5-7% abv to retain residual sugar. Bursting with opulent flavours of stewed black fruits, black olives and dried figs. Dulce is perfectly balanced with a lingering, sweet finish.

£32 (500ML)

DOBOGO, 'MYLITTA' TOKAJ NOBLE LATE HARVEST

Dobogo is a small family-run winery, which operates on five hectares of first-growth vineyards in the volcanic heartland of Tokaj. This sweet wine is golden in colour and has aromas of dried pineapple and honey. The palate is rich with desiccated pineapple accompanied by hints of crisp caramelised pears.
