WINES BY THE GLASS

WHITE WINE

OUDE KAAP RESERVE COLLECTION CHENIN BLANC, SOUTH AFRICA

An easy drinking, smooth and medium bodied white from the Western Cape with an abundance of tropical notes and slight acidity

£3.2 (125ml) £6 (250ml) £16.5 (btl)

TAMAYA VIOGNIER RESERVA, CHILE

This beautifully crafted Viognier is all about elegance, even if it keeps being very expressive. The fruit is really classic with white peaches and fresh apricots, but never jammy. A stunning drop that commands respect and offers the creamy texture that is typical with the variety

£3.3 (125ml) £6.5 (250ml) £19.5 (btl)

MARQUES DE CACERES EXCELLENS BLANCO, SPAIN

Over the years, we have developed a great relationship with Marques de Caceres and their consistently superb wines always find a place in our lists. The Excellens blanco is a delicious and delicate dry white from the Rioja region. Subtle hints of vanilla and citrus carry through the fresh, zippy wine

£3.8 (125ml) £7.5 (250ml) £21 (btl)

KOTUKU by allan scott MARLBOROUGH SAUVIGNON BLANC, NEW ZEALAND

Made by Joshua Scott of Allan Scott Wines with grapes sourced from growers' vineyards with whom they have long working relationships. Kotuku means white heron in Maori – hence the label. Allan Scott Family Winemakers are just that – a family owned and operated vineyard and winery, with all family members involved in its day to day running. From their family, to ours, to yours, can't beat it at this level

£4.1 (125ml) £8 (250ml) £22 (btl)

WINES BY THE GLASS

RED WINE

PASO ANCHO by tamaya RESERVA MERLOT, CHILE

Light, jammy, easy drinking red. Vibrant in colour, soft and very palatable

£3.2 (125ml) £6 (250ml) £16.5 (btl)

OUDE KAAP RESERVE COLLECTION SYRAH, SOUTH AFRICA

£3.3 (125ml) £6.5 (250ml) £19.5 (btl)

BODEGA PRIVADA MALBEC, ARGENTINA

A powerful, warming and structured Malbec. Initial cherry and plum aromas give an indication as to what's to come. Fresh and raw, tart plum and cranberry flavours supply the finish

£3.8 (125ml) £7.5 (250ml) £21 (btl)

GRAN DOMINIO by bodegas lan CRIANZA, RIOJA SPAIN

This Crianza is made of mainly Tempranillo with a small percentage of Garnacha. The wine ages for 12 months in American oak and another 15 months in the bottle before it is released. This gives a full bodied, robust wine with a fruity and powerful tastes and a soft pleasant tannin in the finish. Great with grilled meats and cheeses

£4.1 (125ml) £8 (250ml) £22 (btl)

WINES BY THE GLASS

ROSE WINE

PASO ANCHO by tamaya ROSE, CHILE

Paso Ancho is the historical path through the Andes mountains for the Chilean gauchos. The mountains provide a natural barrier that protect the vineyards from the elements, offering ideal growing conditions for this lively rose. Vibrant, refreshing red berry and cherry flavours

£3.2 (125ml) £6 (250ml) £16.5 (btl)

MARQUES DE CACERES EXCELLENS ROSE, SPAIN

Another seriously good wine from our friends at Marques de Caceres. This Provence style rose from the Spanish Rioja region really does tick all the boxes! Labelled as a rose as opposed to the typical Spanish rosado due to the heavy French influence in the making of this wine. Delicate, fragrant and eloquent is the perfect way to describe this favourite

£4.1 (125ml) £8 (250ml) £22 (btl)

SPARKLING WINE

CASA VINIRONIA BIO DYNAMIC PROSECCO, ITALY

We discovered this gem after a quick trip to Italy's Verona region, to visit the Botter family (Italy's biggest wine exporter), and what a gem it is. Luxurious and rich in flavour, crisp and packed with the fruity aromas of pear and citrus

£5 (150ml) £24 (btl)

HENRIOT BRUT SOURVERAIN CHAMPAGNE, FRANCE

DAFFYS DRY GIN

£3 (25ml)

Previous winner of the 'world's best gin' this fresh, smooth and truly original gin balances nine carefully chosen botanicals with its show stopping Lebanese mint, front and centre

HENDRICKS

£3.3 (25ml)

In addition to the traditional juniper infusion, Hendricks uses Bulgarian rose and cucumber to add flavour

NORDES

£3.8 (25ml)

A rather intriguing Spanish gin from the Galician region is made with an Albarino grape based spirit, rather than the more commonly seen grain based spirit. Along with 14 botanicals including lemon peels, hibiscus, liquorice and eucalyptus. The result is a bold, floral flavour profile. A favourite of ours

GIN RAW

£4.7 (25ml)

Gin Raw comes to us all the way from Barcelona. Created by a pair of entrepreneurs with the help of four masters of their craft: a chef, a sommelier, a mixologist and a perfumer. They use low temperature distillation to preserve the flavours and aromas of their botanicals, which include kaffir lime leaf, lemon, lime, cardamom, coriander and laurel

GARDEN TIGER

£5 (25ml)

Made in Cirencester and boasting no fewer than 34 different botanicals (most of which are kept secret). Sicilian blood orange zest, lime tree flowers, spice, berries, pine and sweetness fill the mouth. Rich and unbelievably complex, it transcends expectations of a gin

MONKEY 47

£4.7 (25ml)

An unusual gin from the Black Forest in Germany. The 47 comes from the number of botanicals that are featured in this unique gin, including a rather unique ingredient, cranberries, and the fact that it is bottled at a health 47%. Winner of the World Spirits Award and Best in Class for Gin Worldwide at the International Wine and Spirits Competition London

HIBERNATION GIN

£6 (25ml)

Handcrafted in the Dyfi Valley, West Wales, this small batch gin contains foraged botanicals including crab apples, blackberries, bilberries and lingonberries. The gin is aged over the winter – hibernating – in a white port cask. This makes an incredibly complex and robust gin that's quality shines through

ROKU JAPANESE CRAFT GIN

Produced on the Albury Estate in the Surry Hills, right next to the Silent Pool, a beautiful, mysterious spring fed lake – what a place to create gin! The gin itself features 24 botanicals, including kaffir lime, chamomile, local honey and lavender amongst others. A subtly sweet, intricately balanced tippie

NIKKA COFFEY LIMITED EDITION

£4.7 (25ml)

Nikka, one of the biggest names in the world of Japanese whiskey, now produces this cracking gin using the very same Coffey Still. Designed by Aeneas Coffey, imported to Japan by Nikka in the 1960's, the still has distilled some legendary whiskies. Nikka Coffey Gin is a limited production of only 12,000 bottles – so taste it while you can

CHASE SLOE AND MULBERRY GIN

£3.3 (25ml)

Chase is Britain's first and only farm to bottle sloe gin. Foraged mulberries are gently macerated into chase's GB gin, then aged in Rhone valley red wine casks. Gloriously warming with a beautiful balance between rich berry sweetness and a fresh tartness

CHASE SEVILLE ORANGE

£3.8 (25ml)

Chase Distillery is based just up the road from us in Herefordshire, and this family run operation sure knows how to produce gin. Chase Seville Orange, unsurprisingly has a heavy hit of orange, but features a number of other botanicals such as juniper, liquorice, elderflower and bitter almonds, to create a gin bursting with flavour

CHASE PINK GRAPEFRUIT

£3.8 (25ml)

A spectacular pairing of pink grapefruit and Chase's award winning GB Gin from our friends at the Chase distillery in Herefordshire. Floral and zesty throwing out waves of tartness with the juicy kick of grapefruit peel, closing with subtle hints of juniper. Bold and beautiful

He sold the brand to Moet et Chandon, which used it as the name for its prestige cuvée, which was first released in 1937. Only the best grapes go into Dom Perignon Champagne, providing an incredibly smooth, creamy fruit flavour with perfect balance and weight – a Champagne equalled by very few others
